Description:

Radical SR1 race car (2013), owned and raced by Sir Chris Hoy and heavily featured in the world press and TV documentaries. Our most medalled Olympic athlete in history successfully raced this very car to finish 4th overall in the 2013 Radical SR1 Cup. This fast appreciating "one off" racer is eligible for Radical SR1 Cup Championship for novices , or the Radical Clubmans Cup, amongst other series , or would prove a mighty Track Day car. This car always attracted attention due to its pedigree. Never crashed and meticulously maintained by the Radical Factory Team. Raced in 2013 season , and rested/dry stored in private collection since. Ideal racer, track day or collectors piece. 0-60mph in 3.6 secs, top speed 150mph. 6 Speed sequential box, 1350 Suzuki Hyabusa race tuned engine (low and cheap maintainance) .This 2 seater open sports racer features all upgrades as you would expect from its demanding owner, including removable steering wheel, passenger harness, AIM Data Logger and Smarty Cam , GPS with Europe wide track maps, speed, gear, braking, laptimes, split times, estimated lap times, GForce indicators etc etc. Full fire extinguishing system, 2 full sets (8) racing wheels (in GOLD of course !!). Adjustable rear wing, adjustable dampers, brake bias adjuster, Rear rain light etc etc. Can be supplied with Brian James A Max race trailer (2012)with tyre rack, deck, tool cubby and 2 speed winch if req (+£2500) .Full factory service following close of 2013 season and never raced/used since. This car retains its full Sir Chris Hoy livery as original. Can be delivered anywhere UK/ Europe at cost. I currently race another SR1 and can personally say how fantastic these cars are.
