Seller's Description:

Radical SR3 Super Sport equipped with a 1500cc Engine mated to a 6-Speed Paddle-Shift Sequential Gearbox. This Radical is chassis number 42, so it was built in the 2004-2005 time frame. The 1500cc block is fitted with a smaller head (approximately 1450cc) for both

improved power and endurance. Freshly cleaned carbs. New rear axles. New battery. New wiring. Wilwood Brakes. Center-Lock wheels. The car is ready to hit the track! An absolute blast and ridiculously fast. Capable of over 2.0 lateral G's. This car is amazing bang for your buck track performance, you cannot build a faster track car for anywhere near this price. Ready for a new home, please call for more details **916-387-9997**.

Price: \$34,999
