Lodi, New Jersey, United States

Vehicle description

2010 Radical SR3 GULF Livery

This 2010 Radical SR3 is wrapped in the classic Gulf livery and is a wonderful opportunity for both professional and amateur racers. Equipped with Powertec's 1,340cc engine and 6-speed sequential gearbox, it screams to a redline of 10,500rpm. The desirable High Downforce Package offers upgraded front/rear diffusers, wheel arch louvers, and rear wing. The interior offers LCD instrumentation, brake-biasing adjustment, and more. This SR3 has waited its whole life to carve corners and perform. This 2010 Radical SR3 is listed as "new" because it quite literally is and has never been driven. It spent its entire life since new in a climate-controlled showroom on display, never seeing a single track event. Due to the unique life of this SR3, it should be prepped (fluid check, tire pressure, etc.) before taking a high-speed maiden voyage.

Vin Number: SR3-00576

Specs: Powertec 1,340cc Dry Sump, fuel injected motor, 220hp/131tq (redline 10,500rpm) 6-speed manual sequential transmission Sealed Life Data engine ECU with histogram Quaiffe Endurance Limited slip diff: 3:07:1 final ratio 260mm diameter 4-vane vented disc brakes with Radical four pot calipers five piece ultra lightweight bodywork High-downforce aerodynamic package Space-frame chassis with integral SCCA-approved safety cage FIA crash box and fully adjustable pedal box Nik fully-floating suspension (single adjustable bespoke titanium mono tube dampers) Lightweight centerlock rims 14 gallon aluminium foam filled fuel tank mounted behind driver within the safety cell Radical LCD instruments & vital engine display Manually-activated fire extinguisher system

Please Note: Seeking serious buyers only! If you are genuinely serious about this SR3's

pricing/purchase, please send a message for serious discussion. If you are familiar with these cars you will note the listing price is simply to avoid time-wasters/tire-kickers. Buyer is responsible for shipping. Due to the nature of this flat-out race car, it is sold absolutely AS-IS with no warranty.
