Updates From Seller

This car was a dream race car for my husband. He raced in the 60's and 70's and for the last 15 years of his life he reignited the racing passion culminating in the acquisition of this astounding machine. Unfortunately for us, cancer had other plans. He passed away before being able to enjoy all this have to offer. We spent nearly all our savings to make his dream come true. I know that I will never get that back, but whats worse is the car is not living out its purpose. Take time to look and you will see a tremendous machine here and a terrific deal.**Above Added: Sun June 17, 2018, 5:16 pm PST**

Description

2012 Radical SR3. Maintained by Wisco. Low hours. Lots of extras! The SR3 RS is a sure-footed, highly-developed racer, adept and rapid in the hands of both the novice trackday driver, and seasoned racing professional. It is powered by the Powertec, 4 cylinder 1500cc Hayabusa engine modified by Radical. It boasts a six-speed sequential transmission, and drives via the Power Drive gear drive system, developed in partnership with Quaife especially for the SR3. With an integral torque-biasing differential, this reliable, easy-to-maintain unit is one of the SR3 RS's strengths, offering strong traction out of corners. Swapping gear ratios to suit specific tracks is a straightforward job. Four-pot calipers, with vented discs on each corner, endear the SR3 RS with awesome stopping power.

The SR3 RS features Radical's FIA-specification crash box and central safety cell, whilst styling cues taken from the SR9 LMP2 car, including the high-nose front-end, offer not only dramatic styling, but also advanced aerodynamics, with a full-underfloor diffuser for leech-like grip.

An ergonomic and comfortable twin-seat cockpit makes the SR3 RS an ideal trackday car and endurance racer, with in-built LIFE engine management and datalogging, and an advanced AiM LCD dash/multifunction display. Centre-locking wheels mean that, should the weather turn, the switch from slick to wet tyres is rapid and easy.

\$68,000 or best offer. Serious inquiries only.
