

SR4 SN 4 ad from RadicalOwnersClub.com

[Radical SR4 \(ROC Member Owner\) - SOLD VIA ROC](#)

Price: £15995

Regrettably, due to ongoing personal and work commitments, my carefully made plans to do further trackdays and indeed, actually go racing in 2010 in my 'spot on' SR4 (since buying it, running it and constantly improving it over about the last 15 months) have been totally frustrated. Therefore, rather than letting it stand still doing virtually nothing for what is likely to be at least a year (what an utter waste of a Radical that would be), I have reluctantly decided to sell it.
