

Email from Chris Marsh from 7/10/2018 regarding Prosport SN 55

Charley,

I ran this car at Waterford Hills 2012 and 2013. You may be able to go back and look through their gallery and find more pic's, I don't know.

I know I won one race with the car, and other than Waterford I think the only other track I visited with this car was Mid-Ohio, once.
